I'm still hurtin' from the last time
You walked on this heart of mine
I can't find much to believe in
You let me down so many times

Heaven knows how much I love you
But I'm tired of holdin' on
You better kiss me
You're gonna miss me when I'm gone

Not much chance we're gonna make it
If I'm the only one who's trying
You know I'm running out of reasons
We're running out of time

Someday, girl, you're gonna wake up
And wonder what went wrong
You better kiss me
You're gonna miss me when I'm gone

You're good at going through the motions
And all I hear are alibis
Now I get this empty feeling
When I look into your eyes

I don't see a love light shinin'
And I don't know what's going on
You better kiss me
'Cause you're gonna miss me when I'm gone

You better kiss me
'Cause you're gonna miss me when I'm gone
Oh, you're gonna miss me when I'm gone

You better kiss me
'Cause you're gonna miss me, you're gonna miss me
when I'm gone
You better kiss me
You're gonna miss me when I'm gone
Oh, you're gonna miss me when I'm gone

You better kiss me
