I dont need no hook for this track
i scream psalm 23 and leave em acting like Jordan was
back
I scream Christ because its neccessary, without Him
homies is dying looking like Jayz fadn the black
So i came to change perspectives
i come preaching the Christ, the True Messiah who dont
hang from ya necklace
I mic 2,1 check this
cause dudes is unsecure and wide open like the
boarderlines of Texas
I see you tip-tipping dipping curves in ya lexis
sin gotcha covered from ya feet to where ya neck is
So we like Abraham riding to rescue Lot
preaching the good news to homies that's on block
Cause homies hustling hurriedly running against the
clock
in custody of iniquity check the time on ya watch
You can tell that it's time for change
gone sell out to God, and let His love nickel and dime
ya mayne

Chorus- I dont need no hook fa dis
all i need is da Holy Ghost and 66 books for dis
I got the cure for da crook wit this, i preach Christ to the
masses, and getcha off the hook wit this
2xs

I preach Christ the Nazarene, dawg, the Son of the
Blessed

the incardinated Word of God seen in the flesh
So when He speak we listen, cause His words bring life,
and He's more than a prophet, He aint david corresh
But He's the Truth and the Life, we down to die for the
Dude
believeing the good news, we dont follow for the food.
But we follow with a zeal, for our sins He were bruised
and we follow cause of faith, no pictures no clues
We surrendered like war criminals, know what He do
like walking on water, we dont even say it was the
shoes

We promote mankind, accept the Father of time, Who
tossed the demons to swine
Who turned the water to wine
Who give the sight to the blind
when othas want to stone you for adultery, He neal in
the sand and draw lines
Yeah, we throw them crosses up like it's a piru sign
listen homie, you need the blood but not the dimu kind,
gnah

Chorus- I dont need no hook fa dis
all i need is da Holy Ghost and 66 books for dis
I got the cure for da crook wit this, i preach Christ to the
masses, and getcha off the hook wit this
2xs
