Shadows

Tensing on the ceiling

I'm hearing

My heart that's beating

This heavy rhythm

That's driving me insane

Message tells me something's wrong

Tonight I can see the signs

Oh, tonight's the night when the angels cry

Telling me

This time it's forever

Running far away from me

I'm staring into the darkness

So tell me

Who will you run to now

Firing

Your lights are gone

You're pushing me to the distance

So tell me

Who will you run to now

Who's the one who stole your fire

Who will you run to now

Who's the one who stole the light

Too late

To turn back the hands of time

It's too late

For me to wonder why

I should've known better

Than to let you slip away

I should've seen it coming

The writings on the wall

Tonight I can see the signs

Yeah, tonight's the night when the angels cry

Telling me

This time it's forever

Running far away from me

I'm staring into the darkness
So tell me
Who will you run to now
Firing
Your lights are gone
You're pushing me to the distance
So tell me
Who will you run to now

Who's the one who stole your fire
Who's the one who stole the light
Who's the one who stole your fire
Who's the one who stole the light

Running far away from me
I'm staring into the darkness
So tell me
Who will you run to now
Firing
Your lights are gone
You're pushing me to the distance
So tell me
Who will you run to now

Who's the one who stole your fire
Who will you run to now
Who's the one who stole the light
