Bake a cake to my taste you dance away Belinda
Disappear in the light smile like that Belinda
But i will not follow you
tonight I will go home
You are tremors in my heart you are my Belinda
You will be my sinful secret
I can't tell my kids about you
Though I could never lie
And I hope someday you'd ask

You know I'd like to stay here and chat for a while
But its bad for my future plans of being a loyal wife

So bye bye
Belinda bye bye
Belinda bye bye
bye bye
Belinda bye bye
Belinda bye bye

If you think this song is about you You're so vain
Belinda
But if you catch my stupid eye youd know you're right
But I will not look again
this time I will hide my heart
The spirits in my room they whisper
You know the sky is now in bloom But I'll sacrifice
Belinda
I have to let you go
cause I think it might be lust

You know I'd like to stay and do magic with you
But that would be unkind to my little boy blue

So bye bye
Belinda bye bye
Belinda bye bye
bye bye
Belinda bye bye
Belinda bye bye

bye bye

bye bye bye
bye bye bye
bye bye

You know I'd like to stay and do magic with you
But that would be unkind to my little boy blue

So bye bye
Belinda bye bye
Belinda bye bye
bye bye
Belinda bye bye
Belinda bye bye
bye bye
Belinda bye bye
Belinda bye bye
bye bye
Belinda bye bye
Belinda bye bye

Little boy blue lost his shoe
One day paddling in the water
He cried and he cried
He cried and he realized
That its more fun to run without shoes
