The moon's gone down
I know you're still awake
This heart I've found
I didn't intend to break

Cause I've seen the world from down there
And it wasn't a pretty sight
Now the circle is turning
Are you armed for the fight

Chorus:
I wanna be your firewoman
I'll water down your desire
Because i know this love is a killer
I wanna put out your fire

Apology...hmmn..it's futility
Now, destiny...is not a friend
Not a friend

Cause I've seen the world from down there
And it wasn't a pretty sight
Now the circle is turning
Are you gonna be alright

Chorus:
I wanna be your firewoman
I'll water down your desire
Because i know this love is a killer
I wanna put out your fire

Did you come from danger?
You gave me love for pain
Now you're much more than a stranger
I wanna give you love
But all I have is rain

Chorus:
I wanna be your firewoman
I'll water down your desire
Because i know this love is a killer
I wanna put out your fire

I'm gonna put it out put it out (4x)

I wanna be your firewoman (put it out) (put it out)

I wanna be your firewoman (put it out) (put it out)

I gonna be your firewoman (put it out) (put it out)

I gonna be your firewoman
