Imagine me and you
I do
I think about you day and night
Its only right
To think about the one you love
And hold him tight
So happy together---

If i should call you up
Invest a dime
And you say you belong to me
And ease my mind
Imagine how the world would be
So very fine
So happy together---

I can't see me loving nobody but you---
(so happy together, yeah, so happy together)
When you're with me, baby, the skies will be blue---
(so happy together, my love for you gonna be forever)

I think of me and you
And you and me
No matter how they toss a dice
It had to be
The only one for me is you
And you for me
So happy together---

I can't see me loving nobody but you---
(so happy together yeah, so happy together)
When you're with me, baby, the skies will be blue---
(so happy together my love for you gonna be forever)

No, i can't see me loving nobody but you-- (oohhh---)

(so happy together yeah, so happy together)
When you're with me you make my heart feel so new---
(so happy together my love for you gonna be forever)

I think of me and you
And you and me

No matter how they toss a dice
It had to be
The only one for me is you
And you for me
So happy together--

I can't see me loving nobody but you-- (ohhh---)
(so happy together yeah, so happy together)
When you're with me baby, the skies will be blue--
(so happy together)

No, i can't see me loving nobody, nobody but you--
(so happy together, yeah, so happy together)
Uh when you're with me, you make my heart feel so
new--
(so happy together my love for you gonna be forever)

Ohh, i can't see me loving nobody but you---
(so happy together yeah, so happy together)
Uh when you're with me baby the skies will be blue--
(so happy together my love for you gonna be forever)
