Too-di-di-doo... Too-di-di-doo...  
Too-di-di-doo... Too-di-di-doo...  
Too-di-di-doo... Too-di-di-doo...  
Too-di-di-doo... Doo-doo...

Someone's knockin' at the door  
But I'm too lazy for a political conversation  
What now you know that I can't hear  
What all the masses here and there like to buy  
And you can't...

Sing all you like...  
Sing all you like...  
Sing all 'cause people still need money for food

Too-di-di-doo... Too-di-di-doo...  
Too-di-di-doo... Too-di-di-doo...  
Too-di-di-doo... Too-di-di-doo...  
Too-di-di-doo... Doo-doo...

Maybe I should stay in school  
And learn to make a living  
Selling some things that I don't love

And maybe singing is a luxury  
And when you can't afford it someday  
It's possible you'll starve  
If you will...

Sing all you like...  
Sing all you like...  
Sing all 'cause people still need money...

If you happen to see me on the street  
Would you please give me coins and a drink

Sing all you like... (4x)  
Sing all you...  
Like... (sing all you like) (4x)  
Cause people still need people  
Who have money to give  
Money for food

Too-di-di-doo... Too-di-di-doo...  
Too-di-di-doo... Too-di-di-doo...  
Too-di-di-doo... Too-di-di-doo...  
Too-di-di-doo... Doo-doo-doo-doo-doo-doo-doo...
