I'm keeping my affair in a book  
so this is how a villain feels  
they're running seasons in my chest  
and I'm only to keep them

Chorus:

Maybe it's not true  
love on the TV  
just like we imagine it  
and it's so hard to do  
when theres always some distraction  
a shiny red balloon  
that spoils everything

I'm keeping my affair in a book  
such practical and harmless vice  
but I'm feeling it could end up painfully  
and the TV should apologize

Chorus:

Maybe it's not true  
love on the TV  
just like we imagine it  
and it's so hard to do  
when theres always some distraction  
a shiny red balloon  
that spoils everything  
I'm keeping my affair in a book  
my long and lonely compromise  
how can you live like that my dear  
well we do

love on the TV  
just like we imagine it  
and it's so hard to do  
when theres always some distraction  
a shiny red balloon  
that spoils everything

Chorus:

Maybe it's not true  
love on the TV

just like we imagine it  
and it's so hard to do  
when theres always some distraction  
a shiny red balloon  
that spoils everything

It spoils everything (7x)
