ALLE - Se us how we fuss and fight
We fighting for our rights
Brothers do two wrongs make a right
Will we ever know?

[1. Vers] EASED - Gonna fight for my right, ya
Keepers and for my right my gonna open up my mouth,
ya
Will and with my mouth my gonna shout it out loud, ya
We cause when my shout there can never be no doubt
na
Ever when my come my come strong - hey
Gonna make sure that my rival a go run - hey
Know better take cover cause di fire a go burn
Cause my right and my know so my right pon my flow
Songtexte about you and your friend I don't know

[2. Vers] D-FLAME - Werden wir irgendwann zusammen
Funktionieren oder werden wir weiterhin
gegeneinander
Konkurrieren
Während wir immer mehr die Hoffnung verlieren
Lassen wir uns teilen und dann leider doch
Kontrollieren
Was nützt es dir, wenn du hier der Beste bist?
Wenn du nie inneren Frieden findest und den Stress
Vergisst
Wenn du nicht genau weißt, welcher Freund ein
echter
Ist
Und wenn auch dich die Wahrheit irgendwann heftig
Trifft

Chorus:
See us how we fuss and fight
We fighting for our rights
Do two wrongs make a right
Will we ever know
- peace? have freedom and the right
To feel pleasure and delight
Brothers to sleep all through the night
Will we ever know?

[3. Vers] GENTLEMANN - Cuh ya know, we drop a
fireball
Keepers pon your ism and your skism
Cause a long time you try fi kick we off a di rhythm
Will tear down your wall
Cause ya ego haffi fall
Don't you see
We because of a nuff a dem a bawl
Follow dem evil doing you end up inna calamity
Ever and don't you seesay you got bring love inna your
City
Know and back up inna wickedness your life it nah go
Pretty
Leaders nowadays nah really come down to the nitty
Gritty

[4. Vers] PATRICE - You have the audacity fi tell me
That I exagerrate
Some a dem a try fi smack the black off my face
Your leg a go shake when you know your neck a go
break
You ain't in my shoes
Don't know my truth, don't know my pain
You sit there and a wait and a witness my fate

It's him that spit at me, but it's you that I hate
Alle due to our history we jus' cyaan't tolerate
That some discriminate against blood, colour or or
Faith
Brothers
Chorus:

See us how we fuss and fight
We fighting for our rights
Keepers do two rights make a right
Will we ever know
- peace? have freedom and the right
Will to feel pleasure and delight
To sleep all through the night
We will we ever know?

[5. Vers] DON ABI - How can I feel free when evil's
Lurking at my door
Ever a fairytale written by the system can I even the
Score
Know cause heaven's calling (make me wanna leave)
While my mothers burning (should I save her?)
Am I running out of time my faith is turning

[6. Vers] BANTU - Say we hafi communicate a little bit

More

And simmer down before I getti ruffi ruffi hardcore
Take a chance an' examine di facts, an' realise that
Your game is a tug o' war
Call a draw listen well cyan not take it furthermore
See you painin' my an' draining my wan make me
insure
Why explore di raw deepness o' madness, badness
nah pay
When you cyan handle stress

Chorus:

See us how we fuss and fight
We fighting for our rights
Do two wrongs make a right
Will we ever know
- peace? have freedom and the right
Alle to feel pleasure and delight
To sleep all through the night
Brothers will we ever know?

[7. Vers] NOSLIW - Ich will auch Frieden und Einheit
Doch nicht auf Kosten der eigenen Freiheit
Ich gÄ¶nne allen den Erfolg, die Karriere
Solange ich nur erfolgreicher werde
Ich lebe stÄ¶ndig in dem Drang der Bewegung
2005 gibt's noch den Kampf um's Äœberleben
Wie lang muss ich mich noch beweisen fÄ¼r mei'n
Platz in
Dieser Welt?
Bis unser EGO fÄ¶llt

Chorus:

See us how we fuss and fight
Know we fighting for our rights
Do two wrongs make a right
Will we ever know
Peace? - have freedom and the right
To feel pleasure and delight
To sleep all through the night
Will we ever know?
