Just like a child
Down on my knees
I wait for the mercy of God
When fear comes calling
I will not worry
I'll wait on the Lord
I'll stand in His strength
I'll fall in His unfailing love
But will not worry
I will not worry

Chasing the shadows away (I will not)
Running away from the grey (I will not)
In spite of these tears in my eyes I am in perfect peace
I will not worry
I will not worry

So call me a fool
Call me naïve
But don't wait for me to cave in
When fear comes calling
I will not worry
I'll offer my life
I'll go where He leads
And I will do all that he asks
But will not worry
I will not worry

I can't conceive it
So I'll just receive it
Flowing from heaven above
When hurt comes calling
It won't be me falling
I'll be here safe in his love

Chasing the shadows away (I will not)
Running away from the grave (I will not)
Chasing the shadows away (I will not)
Running away from the grave (I will not)
Chasing the shadows away (I will not)
In spite of these tears in my eyes I am in perfect peace
I will not worry
