

Brother's Keeper "Out Of My Blindness"

Out of my blindness I see the amazingly You

When no one else cared for me
There in my prison of unbelief
Promises brought me no peace
And then I saw You down on my knees

Out of my blindness I see the amazingly You
Out of my blindness I'm seeing what Your love
can do
I was the one so in need
You were the only one who helped me
Suddenly my life has changed
Rainbows of mercy broke through the rain

Out of my blindness
Finally I can see You
Could this really be true
Out of my blindness
How can I repay You
I'll live everyday for You

Out of my blindness I'm seeing what Your love
can do
