Show me all the sacred places
Show me where my faith was born
Show me where my heroes
Lived the life I'm longing for

Lead me to that ancient city
Where the blood of prophets runs
Lead me to His temple
Take me to Jerusalem

Take me to the manger so humble
Take me to the streets where He walked
Take me where the grand teacher taught us
Take me to the cross

Lead me to the tomb of rejoicing
Show me where my freedom was fought
Show me where my sin was forgiven
Take me to the cross

Help me know and love His people
Help me see His divine plan
Help me have the courage
To be more than what I am

Keep me looking for His coming
Crashing through both time and space
Keep me as a beggar
Longing for a taste of grace

Take me to the manger so humble
Take me to the streets where He walked
Take me where the grand teacher taught us
Take me to the cross

Lead me to the tomb of rejoicing
Show me where my freedom was fought
Show me where my sin was forgiven
Take me to the cross

Ancient mystery, human history
Here beneath my feet

Precious story, saving glory
Cries out from these streets

Show me all the sacred places
Show me where my faith was born
Show me where my heroes
Lived the life I'm longing for

Take me to the manger so humble
Take me to the streets where He walked
Take me where the grand teacher taught us
Take me to the cross

Lead me to the tomb of rejoicing
Show me where my freedom was fought
Show me where my sin was forgiven
Take me to the cross
