Little girl little girl what have I done that makes you
treat me so
You've caused me to weep you've caused ne to mourn
You've caused me to leave my home

In the pines in the pines where the sun never shines
And you shiwer when the cold wind blows
[banjo]
The longest train I ever saw went down that Georgia
line
The engine passed at six o'clock and the cab went at
nine

In the pines in the pines...
[mandolin]
The longest train I ever saw was nineteen coaches long
The only girl I'll ever love is on that train and gone

In the pines in the pines...
