Let's say goodbye like we said hello in a friendly kind  
of way  
There's something wrong your love is gone I've no  
reason now to stay  
We live and love we meet and part and broken hearts  
must pay  
Let's say goodbye like we said hello in a friendly kind  
of way

Your love sweetheart I won't forget you're always on my  
mind  
You're all the happiness I knew so thoughtful sweet and  
kind  
For old time sake I'm asking you to think of me some  
day  
Let's say goodbye like we said hello in a friendly kind  
of way  
[ mandolin ]  
I wish you happiness sweetheart in everything you do  
May good luck always come your way and every dream  
come true  
I remember you and the love we knew the love of  
yesterday  
So let's say goodbye like we said hello in a friendly  
kind of way

If I should meet some other dear and learn to love  
them too  
I'll hope and pray somehow sweetheart they'll make me  
think of you  
A tender smile an old love song a heart so young and  
gay  
Let's say goodbye like we said hello in a friendly kind  
of way
