

Brothers Osborne "Lonesome Feeling"

It's a lonesome feeling when you're traveling
Down a lonesome road down a lonesome road
Nobody cares a thing about me it's a heavy load it's a
heavy load

I fell in love in Cincinnati her love was true and she told
me so
I gave her rings and all my money where she ran off to
I'll never know

It's a lonesome feeling...
[mandolin - banjo]
I wish that I was in Kentucky with papa and mama dear
But mama's gone and so is papa and Kentucky's a long
way from here

It's a lonesome feeling...
It's a heavy load it's a heavy load
