Send me the pillow that you dream on don't you know
that I still care for you
Send me the pillow that you dream on so darling I can
dream on it too
Each night while I'm sleeping oh so lonely
I share your love in dreams that once were true
Send me the pillow that you dream on so darling I can
dream on it too

[mandolin - banjo]

Send me the pillow that you dream on maybe time will
let our dreams come true
Send me the pillow that you dream on so darling I can
dream on it too
I've waited so long for you to write me but just a
mem'ry's all that's left of you
Send me the pillow that you dream on so darling I can
dream on it too
So darling I can dream on it too
