You left me and you went away you said that you'd be
back in just a day
You've broken your promise and you left me here alone
I don't know why you did dear but I do know that you're
gone

I'm walking the floor over you I can't sleep a wink that is
true
I'm hoping and I'm prayin' as my heart breaks right in
two
Walking the floor over you
[mandolin]
Now darling you know I love you well I love you more
than I can ever tell
I thought that you wanted me and always would be
mine
But you went and left me here with troubles on my
mind

I'm walking the floor over you...
[banjo]
Now someday you may be lonesome too walking the
floor is good for you
Just keep right on walking and it won't hurt your pride
Remember that I loved you and I will to the day I die

I'm walking the floor over you...
