I been livin shady, cheatin' on my lady
Ever since she left me, I been goin' crazy
Thinkin' about my baby, I know I did you wrong
Just listen to my song, I wanna make it up to you

I been livin shady, cheatin' on my lady
Ever since she left me, I been goin' crazy
Thinkin' about my baby, I know I did you wrong
Just listen to my song, I wanna make it up to you

Now I know that you leavin'
'Cuz it feels like I'm not breathin'
Pain up in my chest, at night I can't rest
'Cuz I toss and turn, this feelin' inside
Oh, how it burns to see you go away

And I guess it's true what they say
When you're heart goes to play, you lose the one you love
That's somethin' that I never thought of
Now you walkin' out my life
Without you in my life, I got nothin' left

I should've never came home with hickeys on my neck
The hang ups on the phone ain't helpin' your stress
'Cuz your tears keep fallin' like rain
I can't embrace the pain, I can only try to change

I been livin shady, cheatin' on my lady
Ever since she left me, I been goin' crazy
Thinkin' about my baby, I know I did you wrong
Just listen to my song, I wanna make it up to you

I been livin shady, cheatin' on my lady
Ever since she left me, I been goin' crazy
Thinkin' about my baby, I know I did you wrong
Just listen to my song, I wanna make it up to you

I know I ain't livin' right
I don't expect you to take me back
And I don't expect you to forgive me
But baby, just listen to me

I been up and down and all around searchin' for you,
baby
'Cuz ever since you left me, I've been goin' crazy
I'm losin' my mind, thinkin' of you all the time
Wishin' I could press rewind to get you back one more
time

If I get another try, I will never make you cry
I promise to give you the best, none the less
Treat you like my princess and love you 'til the death
'Til death do us part, you will stay in my heart

Siempre in mi corazon, siempre en mi vida
For life, por vida, tu eres mi chica tan linda
And I plan to make things right
'Cuz next time around I'm gonna make you my wife

I been livin shady, cheatin' on my lady
Ever since she left me, I been goin' crazy
Thinkin' about my baby, I know I did you wrong
Just listen to my song, I wanna make it up to you

I been livin shady, cheatin' on my lady
Ever since she left me, I been goin' crazy
Thinkin' about my baby, I know I did you wrong
Just listen to my song, I wanna make it up to you

Just tell me what I can do to make it better
I'll do anything and I'm sorry I made you cry
I cheated and I lied

If there was some way that I could take all back
I'll do anything, just tell me, tell me what to do
'Cuz I wanna make it up to you

I been livin shady, cheatin' on my lady
Ever since she left me, I been goin' crazy
Thinkin' about my baby, I know I did you wrong
Just listen to my song, I wanna make it up to you

I been livin shady, cheatin' on my lady
Ever since she left me, I been goin' crazy
Thinkin' about my baby, I know I did you wrong
Just listen to my song, I wanna make it up to you

Now you know I'm doin' this song
To make it up to you, baby
I just wanna let you know I'm real
And I'm here for you no matter what happens
Make it up to you
