you look so familiar i could almost place you
you look so familiar i could almost place you
i don't expect you to remember you'll forget me
i don't expect you to be perfect when you see me
on the escalator of a metro station
check the notes on the back of a compliation

i don't expect you to remember you'll forget me
i'm not expecting recognition when you see me..

on the escalator.. of a metro station
check the thoughts and the depths of your recolection
i hope you don't care
i hope you don't mind
i hope you don't care
ohh yeah
i hope you don't care
i hope you don't mind
i hope you don't care
ohh yeah
i hope you don't care
i hope you don't mind
i hope you don't care
ohh yeah
