Get up, get up, get up, child
Get off your knees
Take it, take it, take it, I'm easy
We're here to please
Put your hands in the air
Put your feet on the ground
Put your mind in a dream
'Cause there's nothing we ain't seen
Good love child
You know what I mean
Good love child
You've got to keep it clean
Good love child
Gonna steal the scene
Make love, make love, make love, child
And make it mean
Take love, take love, take love, child
And keep it clean
Put your hands in the air
Put your feet on the ground
Put your mind in a dream
'Cause there's nothing we ain't seen
Good love child
You know what I mean
Good love child
You've got to keep it clean
Good love child
Gonna steal the scene
Get up, get up, get up, child
Get off your knees
Take it, take it, take it, I'm easy
It's here to squeeze
Put your hands in the air
Put your feet on the ground
Put your mind in a dream
'Cause there's nothing we ain't seen
Good love child
You know what I mean
Good love child
You've got to keep it clean
Good love child

Gonna steal the scene
