(Instrumental)

Johnny played guitar  
Jenny played bass  
The name of the band is the human race  
Everybody tell me have you heard  
Pop goes the world

Jenny played keyboard  
Johnny played drums  
Called 'Little Baby' and a 'Big Bonhomme'  
Everybody tell me have you heard  
Pop goes the world

(Goes something like this)

\*pop\*

(Instrumental)

Johnny and Jenny have a crazy dream  
To see their pictures in a magazine  
Every little boy needs a girl  
Pop goes the world

Jenny and Johnny getting smarter it seems  
You can make more money on a movie screen  
Every little nest needs a bird  
Pop goes the world

1, 2, 3 and 4 is 5  
Everybody here is a friend of mine

Whatever happened to the Duke of Earl?  
Pop goes the world

6, 7, 8 and 9 is 10  
Send Al Gunn to see the doctor (Ben)  
Say what planet are we on?  
The third!  
Pop goes the world

And everytime I wonder where the world went wrong

End up lying on my face going ringy dingy ding dong

And everytime I wonder if the world is right  
End up in some disco dancin' all night and day

Johnny played guitar, Jenny played bass  
Name of the band is 'The Human Race'  
Everybody tell me have you heard  
Pop goes the world

Johnny played guitar, Jenny played bass  
Ain't nobody couldn't take their place  
Everybody tell me have you heard  
Pop goes the world
