ten seconds before the class ended
its the final exam
used to be so smart before you carried him
you were always a favourite of the science fair
silver rated
used to be the darling of the teachers lounge
the kids hated it
the kids hated it
eight weeks and all the tests passed in
no sign of christopher haskin?

im sure i aced it
used to be so smart but no you're desperate
bought a science kit
used to be so sweet before the project
the kids hated it
the kids hated it
yeah yeah yeah
yeah yeah yeah
yeah yeah yeah
yeah yeah!
yeah yeah yeahhh
yeah yeah yeahhh
yeah yeah yeahhh
yeah! yeah!
