(Les Holroyd)
There's a light that burns
When the night has come
Makes me understand
You're the one i see
And i can't say no
Take me, by the hand
Can't believe that you want
It to be
Just the game
And we're playing the parts
Such a feeling
I
T won't let me be
Like an arrow
That's straight for the heart
'cause the one you want
Is the one you lose
That's what people say
And the life you lead
Is the one you chose
Help me on the way
Tell me why
You fill up
My life this way
Take me hi
Gh
Together
We'll fly away
Can't believe that you
Want it to be
Just a game
And we're playing the parts
Such a feeling
It won't let me be
Like an arrow
That's straight for the heart
'cause the one you want
>we need someone
help us along
