"Stop"

You just walk in , I make you smile
It's cool but you don't even know me
You take an inch , I run a mile
Can't win you're always right behind me
And we know that you could go and find some other
Take it or leave it or just don't even bother
Caught in a craze , it's just a faze
Or will this be around forever
Don't you know it's going too fast
Racing so hard you know it won't last
Don't you know , what can't you see
Slow it down , read the sign , so you know just where
you are going
Chorus
Stop right now Thank you very much
I need somebody with the human touch
Hey you always on the run
Gotta slow it down baby , gotta have some fun
Do Do Do Do Do
Ba da Ba Ba [x3] - stay that way foreve
And we know that you could go and find some other
Take it or leave it cos we've always got each other
You know who you are and yes , you're gonna
breakdown
You've crossed the lineso you're gonna have to turn
around
Don't you know it's going too fast
Racing so hard you know it won't last
Don't you know what can't you see
Slow it down , read the sign , so you know just where
you are going
Chorus
Gotta keep it down honey , lay your back on the line
Cos I don't care about the money , don't be wasting my
time
You need less speed , get off my case
You gotta slow it down baby , just get out of my face
Chorus [x3]
Stop Right Now , we wanna thank you
Stop Right Now , thank you very much
