Come to me you weary one  
And I will give you rest,  
I will give you rest.  
Come to me you weary one  
And I will give you rest,  
I will give you rest.

For my yoke is easy  
And my burden light.  
Take Me upon you  
And I will give you rest.

Come to me you troubled one  
And I will give you peace,  
I will give you peace.  
Come to me you troubled one  
And I will give you peace,  
I will give you peace.

I will calm the waters  
I will whisper peace, be still.  
Take me upon you  
And I will give you peace.

Come to Me,  
Come to Me,  
Come to Me.  
I have been waiting for you here.  
I have been waiting for you here.

Come to me you weakened one  
And I will give you joy,  
I will give you joy.  
O' Come to me you weakened one  
And I will give you joy,  
I will give you joy.

You will rise as eagles  
And my joy will be your strength  
Take me upon you  
I will give you joy.

Come to me  
Come to me  
I have been waiting for you here  
I have been waiting for you here  
Come to me
