Well, I went to the enemy's camp and
I took back what he stole from me (x3)
I went to the enemy's camp and
I took back what he stole from me

You know
He's under my feet (x6)
Satan is under my feet

I went to the enemy's camp and
I took back what he stole from me (x3)
I went to the enemy's camp and
I took back what he stole from me
You know
He's under my feet (x6)
Satan is under my feet

I went to the enemy's camp and
I took back what he stole from me (x3)
I went to the enemy's camp and
I took back what he stole from me

You know
He's under my feet (x6)
Satan is under my feet
