He has fire in his eyes
and a sword in his hand
and he's riding in a white horse
all across this land

Repeat

And he's calling out to you and me
"Will you ride with me?"

He has fire in his eyes
and a sword in his hand
and he's riding in a white horse
all across this land

And he's calling out to you and me
"Will you ride with me?" (x2)
We say "Yes" ("Yes Lord")
"We'll ride with you."

And we say "Yes, Lord"
"We will stand up and fight"
"We will ride with the armies of Heaven."
"Gonna be dressed in white" ("We'll be dressed in white")

And we say "Yes, Lord" ("Yes, Lord")
"We'll ride with you."

He has a crown on his hand
He's leading the armies
And he's calling out to you and me
"Will you ride with me?" (x2)

We say "Yes, Lord" ("Yes, Lord")
"We will ride"

And we say "Yes, Lord"
"We will stand up and fight"
"We will ride with the armies of Heaven."
"Gonna be dressed in white" ("We'll be dressed in white")

Can I hear you say "Yes, Lord?" ("Yes, Lord")
"We will ride."

And we say "Yes, Lord"
"We will stand up and fight"
"We will ride with the armies of Heaven."
"Gonna be dressed in white" ("We'll be dressed in white")

If I were you I would say "Yes, Lord" ("Yes, Lord")
"We will ride"

You see that fire in his eyes?
Is his love for his bride
And he is longing that you be with him
riding by his side

Yes that fire in his eyes
Is his burning desire
that his bride be with him
riding by his side

Can you hear him calling out to us right now
Saying "Will you ride with me?"

Lord, I know what I want my answer to be
When you say "Will you ride with me?"
Don't want anything down here holding on to me
When you say "Will you wide with me?"

Can you see that number (no man can number)
Riding along side Jesus
But he's calling out to us right now
Saying "Will you ride with me?"

And we say
"Yes, Lord" (x4)
