Check my custom machine

Well, she's metal flake blue  
With a Corvette grill  
Check my custom machine  
And they say it looks better  
When she's standing still  
Check my custom machine

Step on the gas  
She goes, waaaaah  
I'll let you look but don't  
Touch my custom machine

Well, with naugahyde bucket  
Seats in front and back  
Check my custom machine  
Everything's chrome  
And even my jack  
Check my custom machine

Step on the gas  
She goes, waaaaah  
I'll let you look but don't  
Touch my custom machine

I've got stereophonic speakers  
Set with vibrasonic sound  
Check my custom machine  
Magnesium spokes that stands  
An inch off the ground  
Check my custom machine

Step on the gas  
She goes, waaaaah  
I'll let you look but don't  
Touch my custom machine

Check my custom machine  
Check my custom machine  
Check my custom machine
