I've been so lost since you went away  
I've been so sad without you  
I wanted to be there, I wanted to hold on  
And tell you, how much, how much I loved you

I never thought that this day would come  
Never thought we'd have to part  
Now that you're gone, there's only memories  
It's left such a hole, hole in my heart

Whenever skies are cloudy and the raindrops fall  
I pray that you'll be waiting to catch me when I fall  
So many things that were left unsaid

So many things still to share  
And through all the tears and all of the memories  
I hope that you know how much I cared

If I could have you back I wouldn't waste a minute  
Lifetime wasn't long enough, I need you for ever  
Love of the father, the friendship of the brother  
You took a piece of me with you and it will never be  
returned  
Until we meet again and things will be the same

Whenever skies are cloudy and the raindrops fall  
I pray that you'll be waiting to catch me when I fall

I've been so lost since you went away  
I've been so sad without you  
I wanted to be there, I wanted to hold on  
And tell you how much, much I loved you

I never thought that this day would come  
Never thought we have to part  
Through all the tears and all the memories  
It left such a hole, hole in my heart  
Hole in my heat  
It left such a hole, hole in my heart

If I could have you back again I wouldn't waste a minute  
Lifetime wasn't long enough, I needed you for ever

If I could have you back again I wouldn't waste a minute  
Lifetime wasn't long enough, I needed you for ever

If I could have you back again I wouldn't waste a minute  
Lifetime wasn't long enough, I needed you for ever  
If I could have you back again I wouldn't waste a minute  
Lifetime wasn't long enough, I needed you for ever

If I could have you back again I wouldn't waste a minute  
Lifetime wasn't long enough, I needed you for ever  
If I could have you back again I wouldn't waste a minute  
Lifetime wasn't long enough, I needed you for ever

If I could have you back again I wouldn't waste a minute  
Lifetime wasn't long enough, I needed you for ever  
If I could have you back again I wouldn't waste a minute  
Lifetime wasn't long enough, I needed you for ever

If I could have you back again
