Barclay James Harvest
"Giving It Up"

I give up my world
And giving it up, it ain't easy
I give up my life
And giving it up, it ain't easy

I give up everything I have
Even give this heart of mine
I would give up my soul
Giving it all for you

I give up my time
And giving it up, it ain't easy
I've made up my mind
Making it up, it ain't easy

I give up everything I have
Think about this heart of mine?
I would give up my soul
Giving it all for you
Giving it all for you

I give up everything I have
Think about this heart of mine?
I would give up my soul
Giving it all for you

Giving it all for you
Giving it all for you
Giving it all for you
