Get up, get up, get up, child  
Get off your knees  
Take it, take it, take it, I'm easy  
We're here to please

Put your hands in the air  
Put your feet on the ground  
Put your mind in a dream  
'Cause there's nothing we ain't seen

Good love child  
You know what I mean  
Good love child  
You've got to keep it clean  
Good love child  
Gonna steal the scene

Make love, make love, make love, child  
And make it mean  
Take love, take love, take love, child  
And keep it clean

Put your hands in the air  
Put your feet on the ground  
Put your mind in a dream  
'Cause there's nothing we ain't seen

Good love child  
You know what I mean  
Good love child  
You've got to keep it clean  
Good love child  
Gonna steal the scene

Good love child  
Good love child  
Good love child

Wake up, wake up, wake up, child  
And look at me  
Take love, take love, take love, child  
And keep it clean

Put your hands in the air  
Put your feet on the ground  
Put your mind in a dream  
'Cause there's nothing we ain't seen

Good love child  
You know what I mean  
Good love child  
You've got to keep it clean  
Good love child  
Gonna steal the scene

Good love child  
Good love child  
Good love child

Get up, get up, get up, child  
Get off your knees  
Take it, take it, take it, I'm easy  
It's here to squeeze

Put your hands in the air  
Put your feet on the ground  
Put your mind in a dream  
'Cause there's nothing we ain't seen

Good love child  
You know what I mean  
Good love child  
You've got to keep it clean  
Good love child  
Gonna steal the scene
