She's a hard hearted woman
See the way that she's watchin' you
Victims falling before her
And there's nothin' that you can do

Love comes, holdin' on to us all
Love comes, holdin' on to us all

See the hard hearted woman
Watch the way that she's dancin' now
Eyes are flashing before you
Break her spell, please tell me how

Love comes, holdin' on to us all
Love comes, holdin' on to us all

See the way that she's watchin' you
Break her spell, please tell me how

Love comes, holdin' on to us all
Love comes, holdin' on to us all
