How do you feel now?
We've got a reason to go on, newly born
Seems like I've waited for a lifetime
But honey, I believed in you

When I saw her face
I had to cry
I don't know why
Is she real?

Seems like I've waited for a lifetime
But honey I believed in you
To make my dreams all come true
We've got a child

I tried and tried to talk it over
Seemed like we'd waited a million years
Then you conceived our child was born
And we were one

Picked her up, put her by your side
Saw a smile that you couldn't hide

I tried and tried to talk it over
Seemed like we'd waited a million years
Then you conceived our child was born
And we were one

Picked her up, put her by your side
Saw a smile that you couldn't hide

How do you feel now?
We've got a reason to go on, newly born
Seems like I've waited for a lifetime
But honey, I believed in you
To make my dreams all come true
We've got a child
