Panic

When you hear the music stop  
Never let the silence win  
Turn the record on again

Panic

When you hear the music stop  
Never let them turn you down  
Volume up and record round

Yeah, yeah, yeah, rock and roll

We love you

(We love you)

Yeah, yeah, yeah, turn the music up

We love you

(We love you)

So don't panic

Turn it up, turn it up, turn it up, turn it up, turn it up

Don't panic

Panic

When you hear the music stop

If they get under your skin

Give the disc another spin

Panic

If they try to shut you up

Never let them shout you down

Volume up and record round

Yeah, yeah, yeah, rock and roll

We love you

(We love you)

Yeah, yeah, yeah, turn the music up

We love you

(We love you)

(We love you)

So don't panic

Turn it up, turn it up, turn it up, turn it up

Panic

When you hear the music fade

Raise your hands up to the sky  
Never let the volume die

Panic  
When you hear the rhythm slow  
Stamp your feet upon the ground  
Volume up and record round

Yeah, yeah, yeah, rock and roll  
We love you  
(We love you)  
Yeah, yeah, yeah, turn the music up  
We love you  
(We love you)  
(We love you)  
So don't panic  
Turn it up

Panic  
Turn it up  
Panic  
Turn it up  
Panic  
Turn it up  
Panic
