It's easy to see a poor boy's blues  
When he's working every day  
It's harder to be there in his shoes  
He was born to be that way  
If I tell you tomorrow I'm leaving  
Would you understand the reason why?  
A poor boy works hard for his living  
But a rich man he plays to pass the time

So goodbye, pleased to know you  
We had some laughs along the way  
But I have to be leaving  
And there's nothing you can do to make me stay

If I tell you tomorrow I'm leaving  
Would you understand the reason why?  
A poor boy works hard for his living  
But a rich man he plays to pass the time

So goodbye, pleased to know you  
We had some laughs along the way  
But I have to be leaving  
And there's nothing you can do to make me stay
