When I was a young man  
Money was my hero  
Something to be seen with  
Something to be believe

Now looking at the big lie  
Looking back on my life  
I'm adding up the zeros  
In the book of 'Might Have Been'

When I was a young man  
I was someone's hero  
Someone to be seen with  
Someone to believe

Now looking at the big lie  
Looking back on my life  
All that dirty water  
In the river of my dreams

Oh ohh oh, oh ohh oh  
All that dirty water in my dreams

When I was a young man  
Being cool came easy  
Playing in the big lights  
Trouble came for free

Now looking at the big lie  
Looking back on my life  
I'm trying to find the good seed  
Now I'm down here in the weeds

Oh ohh oh, oh ohh oh  
All that dirty water in my dreams  
Oh ohh oh, oh ohh oh  
All that dirty water in my dreams

When I was a young man  
Music was my savior  
Took me to the fast lane  
Answered all my needs

Now looking at the big lie  
Looking back on my life  
All it did was show me  
All the things that might have been

Oh ohh oh, oh ohh oh  
All that dirty water in my dreams  
Oh ohh oh, oh ohh oh  
All that dirty water in my dreams

Oh ohh oh, oh ohh oh  
All that dirty water in my dreams  
Oh ohh oh, oh ohh oh  
All that dirty water in my dreams  
All that dirty water in my dreams
