See the river deep and wide
Could be free on the other side
Ohh, cross the water

When the gun and the knife have gone
Who'll be here when tomorrow comes
Ohh, living in fear

Sunrise, sunset, sunrise
Over the rainbow they fly
Shadows on the sky

Hear the sound that fills the skies
Killer man with dollar eyes
Ohh, bringing disaster

You can stand, you can run
(You can run)
When you hear the sound of a gun
Ohh, moving closer

Sunrise, sunset, sunrise
Over the rainbow they fly
Shadows on the sky

Come on now

Sunrise, sunset, sunrise
Over the rainbow they fly
Shadows on the sky

(Even though)
And as far as the eye can see
Black as night is the cloud you're under
(Even though)
There's a chance that it cannot be
Hear the cries like the rolling thunder

Sunrise, sunset, sunrise
Over the rainbow they fly
Shadows on the sky

Come on now

Sunrise, sunset, sunrise
Over the rainbow they fly
Shadows on the sky

Incomprehensible
