Turn your back
You just can't hide away.
When your eyes have seen
Her face against the morning light.
Just a smile
Could make the day,
And the images you picture in your mind.
Walking in the sun,
Never mind the rain.
Nothing much to do,
Sleepy Sunday.

Turn your back,
Often wonder why
The horizons seem to grow
With every light of day,
And promises that you made
Just fly away
Lost within
Just another day.

Walking in the sun,
Laughing in the rain.
Nothing seems to matter
This sleepy afternoon.
Walking in the sun,
Never mind the rain.
Let the day just roll by,
Sleepy Sunday.

How long can we go on?
Without love.
Hurry back.
Catch the days
Before they are gone.

Turn your back,
You just can't hide away.
Your eyes have seen
The face that's in the morning light,
And promises that you made

Just fly away.
Lost within
Just another day.

Walking in the sun,
Laughing in the rain.
Nothing seems to matter
Sleepy afternoon.
Walking in the sun,
Never mind the rain.
Let the day just roll by,
Sleepy Sunday.
