Two of them watched in the dawn's early light
And two of them died in the morning
Search not your soul if you want to be right
But two of them died in the morning

It's not for you, we cry
No, not for those who die
It is only for their sons
Forget the lives of others who are gone

Two and by two in the dawn's early light
All went to die in the morning
Search not your souls for the truth and the right
For all went to die in the morning light

It's not for you we cry, no, not for those who die
It is only for their sons
Forget the lives of others who are gone
Forget the lives of others who are gone
Forget the lives of others who are gone

It's not for you we cry, no, not for those who die
It is only for their sons
Forget the lives of others who are gone
Forget the lives of others who are gone

Forget the lives of others who are gone
Forget the lives of others who are gone
Forget the lives of others who are gone

Forget the lives of others who are gone
Forget the lives of others who are gone
Forget the lives of others who are gone
