When you're all alone  
And dreams are waiting at your door  
By the telephone  
No one to talk to any more

Where did we go wrong?  
Waited far too long

When you're worlds apart  
All feelings seem to disappear  
And the night is dark  
You used to make it all so clear

Where did we go wrong?  
Waited far too long

Where do we go  
(Where do we go)  
And where is the love you once gave me?  
I wanna know  
(I wanna know)  
Where is my life, can't you save me?

Ooh, ooh, I thought you were a woman of love  
Ooh, ooh, we could have been in Heaven above

Where did we go wrong?  
Waited far too long

Where do we go  
(Where do we go)  
And where is the love you once gave me?  
I wanna know  
(I wanna know)  
Where is my life, can't you save me?

Where do we go  
(Where do we go)  
Where is the love you?  
Where do we go  
(I wanna know)  
Where is my life?

Where do we go  
Where do we go  
Where do we go
