I miss our togetherness
And our soft touches
Along with our long kisses.
Oh I miss the way we were
Happy as two can be
Oh how I miss her
And I know you can see.
I miss our togetherness
And our soft touches
Along with our long kisses.
Cause we were deeply in love
Like two white doves
And not having any doubts
Of what are love was about.
Oh I miss our togetherness
And ou soft touches
Along with our long kisses.
Now where so far a part
Two people in different towns
And I have a broken heart
Hoping she'd come around.
Oh I miss our togetherness
And our soft touches
Along with our long kisses.
Now it's been a year or two
Since I have seen you
And still I miss our togetherness
And our soft touches
Along with our long kisses.
Oh I miss, oh I miss
I miss our togetherness
And our soft touches
Along with our long kisses.
Oh I miss, I miss...
