Now the time a waisting and so am I
So my love is it yes or is it goodbye
But if it's no I understand
And if it's yes I'll take your hand
Together we can case the promise land
Because I love you and you love me don't you agree
Now the time is a waisting and so am I
So my love what's your answer
Is it gonna be you and me
And if it's no I understand
And if it's yes I take your hand
Together we can case the promise land
Because I want you and you want me don't you agree
Now the time a waisting and so am I
So my love is it yes or is it goodbye
Because I need you and you need me don't you agree
Now the time a waisting and so am I
So my love what's your answer is it gonna be you and me...
