What do I have to do to make sweet love to you
Do I have to whisper it in your ear
Or do I shout it out so you can hear
Oh what do I have to do to make sweet love to you
Do I hold you tight till the morning light
Or do I just say goodnight till your ready.
Oh what do I have to do to make sweet love to you
Do I flatter you with roses and a chocolate heart
Hopefully not a bad way to start.
Oh what do I have to do to make sweet love to you
Can you please tell me so we both can agree
