(This is the Manfred Mann Version)

Bruce Springsteen version is a lot longer with more lyrics

Blinded by the light
Revved up like a deuce another runner in the night
Blinded by the light
Revved up like a deuce another runner in the night
Blinded by the light
Revved up like a deuce, another runner in the night

Madman drummers bummers, Indians in the summer
With a teenage diplomat
In the dumps with the mumps as the adolescent pumps
His way into his hat
With a boulder on my shoulder, feelin' kinda older
I tripped the merry-go-round
With this very unpleasin', sneezin' and wheezin'
The calliope crashed to the ground

The calliope crashed to the ground
But she was...

Blinded by the light
Revved up like a deuce another runner in the night
Blinded by the light
Revved up like a deuce another runner in the night
Blinded by the light
Revved up like a deuce another runner in the night
Blinded by the light
Revved up like a deuce another runner in the night

Some silicone sister with a manager mister
Told me I go what it takes
She said "I'll turn you on sonny to something strong,
Play the song with the funky break"
And go-cart Mozart was checkin' out the weather chart
To see if it was safe outside
And little Early-Pearly came by in his curly-wurly and
asked me if I needed a ride

Asked me if I needed a ride
But she was...

Blinded by the light
Revved up like a deuce another runner in the night
Blinded by the light....
She got down but she never got tired
She's gonna make it through the night

She's gonna make it through the night

---break---

But mama, that's where the fun is
But mama, that's where the fun is
Mama always told me not to look into the eye's of the
sun

But mama, that's where the fun is

Some brimstone baritone anticyclone rolling stone
Preacher from the east
Says, "Dethrone the dictaphone, hit it in it's funny bone,
That's where they expect it least"
And some new-mown chaperone was standin' in the
corner,
Watching the young girls dance
And some fresh-sown moonstone was messin' with his
frozen zone, reminding him of romance
The calliope crashed to the ground

But she was...
Blinded by the light, revved up like a deuce,

Another runner in the night, blinded by the light,
Revved up like a deuce, another runner in the night
Blinded by the light, revved up like a deuce,
Another runner in the night, blinded by the light,
revved up like a deuce, another runner in the night
Blinded by the light, revved up like a deuce,
Another runner in the night, blinded by the light,
Revved up like a deuce, another runner in the night
Blinded by the light, revved up like a deuce,
Another runner in the night, blinded by the light,
Revved up like a deuce, another runner in the night
Blinded by the light, revved up like a deuce,
Another runner in the night, blinded by the light

Madman drummers bummers, Indians in the summer
with a teenage diplomat
In the dumps with the mumps as the adolescent pumps

his way into his hat
With a boulder on my shoulder, feelin' kinda older,
I tripped the merry-go-round
With this very unpleasin', sneezin' and wheezin,
the calliope crashed to the ground
Now Scott with a slingshot finally found a tender spot
and throws his lover in the sand
And some bloodshot forget-me-not said daddy's within
earshot save the buckshot, turn up the band Some
silicone sister with a manager mister told me I go what
it takes
She said "I'll turn you on sonny to something strong"
