

Bruce Springsteen "Bring On The Night"

Visit "[Bring On The Night](#)" on MotoLyrics.com

I lie in bed but baby, I can't sleep
No matter how hard I try
There's something bad, baby, wrong with me
Whenever I close my eyes

The dreams of Mary keep me awake
With every little curve in place
Everyone walk home in the day
Come back home
Baby, won't you give me

Darlin? bring on the night
Oh yeah darlin?, bring on the night
Oh now darlin?, bring on the night

I walk the street, I'm lookin? for romance
I end up stumblin? in some stupid half-trance
As I watch the lovers mix with circumstance
We watch the disco dancers dance

I look for connection in some new eyes
But for protection they're tranquilized
Forbidding close inspection of who's tellin? who
Forbidding close inspection of who's tellin? who lies

Bring on the night
Oh yeah darlin?, bring on the night
Oh now darlin?, bring on the night, well

Is it as simple as it seems
I don't know what I'm doin? here
Is it as simple as it seems
Is it as simple as I fear, well, if I'm right

I look for connection in some new eyes
But for protection they're tranquilized
Forbidding close inspection of who's tellin? who
Forbidding close inspection of who's tellin? who
Baby of who's tellin? who lies

Bring on the night
Oh yeah darlin?, bring on the night

Oh now baby, bring on the night
Oh now darlin?, bring on the night

Come home baby, bring on the night
Oh now darlin?, bring on the night
Oh now baby, bring on the night
Oh now darlin?, bring on the night
