Well, far between sundown's finish and midnight's
broken toll

We ducked inside the doorway, thunder crashin'
As majestic bells of boats struck shadows in the sun
Sayin', it may be the chimes of freedom flashin'

Hey, flashin' for the warriors whose strength is not to
fight

Flashin' for the refugees on their unarmed road of
flight

And for each and every underdog, soldier in the night
We gazed upon the chimes of freedom flashin'

Well, in the city's melted furnace unexpectedly, we
watched

With faces hidden here while the walls were tightenin'
As the echo of the wedding bells before the blowing
rain

Dissolved into the wild bales of lightnin'

Yeah, tollin' for the rebel, yeah, tollin' for the raked
Tollin' for the luckless, the abandoned and forsaked
Yeah, tollin' for the outcasts burnin' constantly at
stakes

And we gazed upon the chimes of freedom flashin'
Oh yeah!

And then through a cloud-like curtain in a far off corner
flashed

There's a hypnotic, splattered mist was slowly liftin'

Well, electric light still struck like arrows

Fired but for the ones, condemned to drift or else be
kept from driftin'

Well, tollin' for the searching ones on this speechless,
secret trail

For the lonesome haunted lovers with too personal a
tale

And for each young heart for each channeled soul
misplaced inside a jail

Yeah, we gazed upon the chimes of freedom flashin'

Well, starry eyed and laughin' I recall when we were
caught
Trapped by an old track of vows for the hands
suspended
As we listened one last time, and we watched with one
last look
Spellbound and swallowed "Has the tollin' ended?"

Yeah, tollin' for the achin' ones whose wounds cannot
be nursed
For the countless, confused, accused, misused strung
out ones at worst
And for every hung out person in the whole wide
universe
And we gazed upon the chimes of freedom flashin'
