The times are tough now  
just getting tougher  
This old world is rough  
it's just getting rougher

Cover Me  
Come on baby cover me  
Well I'm looking for a lover  
who will come on in and cover me

Now promise me baby you  
won't let them find us  
Hold me in your arms  
let's let our love blind us

Cover Me  
Shut the door and cover me  
Oh I'm looking for a lover  
who will come on in and cover me

Hey outside's the rain and driving snow  
I can hear the wild wind blowing  
Turn out the light, bolt the door  
I ain't going out there no more

This whole world is out  
there just trying to score  
I've seen enough I don't  
want to see anymore

Cover Me  
Come on in and cover me  
I'm looking for a lover

who will come on in and cover me

Hey

(instrumental)

Outside's the rain and driving snow  
I can hear the wild wind blowing

Turn out the light, bolt the door  
I ain't going out there no more

This whole world is out  
there just trying to score  
I've seen enough I don't  
want to see anymore

Cover Me  
Wrap your arms around and cover me  
Well I'm looking for a lover  
who will come on in and cover me  
Oh I'm looking for a lover  
who will come on in and cover me  
Yeah I'm looking for a lover  
who will come on in and cover me

Oh oh, do it, do it  
Come on, come on  
Come on baby  
Come on baby  
Oh wrap your arms around  
Come on baby  
Come on baby
