Bruce Springsteen - Dancin' In The Dark
=====

I get up in the evening

And I aint got nothin?to say

I come home in the morning

I go to bed feelin?the same way

I aint nothin?but tired

Man, Im just tired and bored with myself

Hey there baby, I could use just a little help

Chorus:

You cant start a fire

You cant start a fire without a spark

This guns for hire

Even if were just dancin?in the dark

Message keeps gettin?clearer

Radios on and Im movin?round the place

I check my look in the mirror

I wanna change my clothes, my hair, my face

Man, I aint gettin?nowhere

Im just livin?in a dump like this

Theres somethin?happening somewhere

Baby I just know that there is

Chorus

You sit around gettin' older

There's a joke somewhere here and it's on me

I'll shake this world off my shoulders

Come on baby the laughs on me

Stay on the streets of this town

And they'll be carving you up all right

They say you gotta stay hungry

Hey baby I'm just about starvin' tonight

I'm dying for some action

I'm sick of sittin' around here tryin' to write this book

I need a love reaction

Come on now baby give me just one look

You can't start a fire

Sittin' round cryin' over a broken heart

This gun's for hire

Even if we're just dancin' in the dark

You can't start a fire

Worryin' about your little world fallin' apart This gun's
for hire Even if we're just dancin' in the dark (Ad lib)
