No cannonballs did fly
No rifles cut us down
No bombs fell from the sky
No blood soaked the ground
No powder flash blinded the eye
No deafening thunder sounded
But just as sure as the hand of god
They brought death to my hometown
They brought death to my hometown
No shells ripped the evening sky
No cities burning down
No armies stormed the shores for which weâ€™d die
No dictators were crowned
High off on a quiet night
I never heard a sound
The marauders raided in the dark and brought death
to my hometown, boys
Death to my hometown
They destroyed our familiesâ€™ factories and they
took our homes
They left our bodies on the plains
The vultures picked our bones
So listen up, my Sonny boy
Be ready for when they come
For theyâ€™ll be returning sure as the rising sun
Now get yourself a song to sing and sing it â€™til
youâ€™re done
Yeah, sing it hard and sing it well
Send the robber baronâ€™s straight to hell
The greedy thieves that came around
And ate the flesh of everything theyâ€™ve found
Whose crimes have gone unpunished now
Walk the streets as free men now
And they brought death to our hometown, boys
Death to our hometown, boys
Death to our hometown, boys
Death to our hometown
