Devil with the blue dress, blue dress, blue dress

Devil with the blue dress on

Devil with the blue dress, blue dress, blue dress

Devil with the blue dress on

Fe, fe, fi, fi, fo, fo, fum

Look at Molly now, here she come

Wearin' a wig, hat, shades to match

High heeled sneakers and an aligator hat

Wearin' her diamons, wearin' a big ring

She got razors on her fingers and everything

Devil with the blue dress, blue dress, blue dress

Devil with the blue dress on

Devil with the blue dress, blue dress, blue dress

Devil with the blue dress on

Wearin' her perfume, Chanel number five

Got to be the finest looking woman alive

She looks so pretty every time she walks by

The boys are too nervous, even to say hi

Not too skinny, not too fat

She's a real humdinger and I like it like that

Devil with the blue dress, blue dress, blue dress

Devil with the blue dress on
Devil with the blue dress, blue dress, blue dress
Devil with the blue dress on
Good golly Miss Molly, sure like to ball
Good golly Miss Molly, sure like to ball
When you're rockin' and rollin'
Don't you hear your mama call
From the early, early morning to the early, early night
See Miss Molly rockin' in the house of blue light
Good golly Miss Molly, sure like to ball
When you're rockin' and rollin'
Don't you hear your mama call
Well c., c.c. rider
Come on see just what you've done
Well I said c., c.c. rider
Come on see just what you've done
You made me loving you
And now, now, now your man has come
Well now I'm goin' c.c. rider
Goin' to see my baby c.c. rider
And I won't be back c.c. rider
